

The parable of the sower

Read the parable of the sower in Matthew 13 and connect these 4 types of soil with the 4 types of people

- | | |
|--------------------------------|---|
| Seed that fell on the path | People who listen only for a short time |
| Seed that fell on good soil | People who listen but then get distracted by other things |
| Seed that fell on rocky ground | People who listen and grow fruit |
| Seed that fell among the weeds | People who don't listen at all |
